About Us

Mission

The New Jersey Bike & Walk Coalition (NJBWC) is dedicated to improving the quality of life for individuals and whole communities in New Jersey through the multifaceted – climate, economic development, public health, safety, – benefits of biking, walking, rolling and other modes of active transportation.

The Coalition works with elected leaders, grassroots advocates, and policymakers to promote policy, programming, education and infrastructure that expands transportation choices and enables safe equitable mobility for all.

Alongside families impacted by traffic violence and advocacy partners from across the state, NJBWC marked a milestone victory as Governor Murphy signed the New Jersey Target Zero Commission Act.

2025 Key Achievements

- Serving as an active partner to the **Target Zero Commission** in developing New Jersey's first-ever Target Zero Action Plan, a landmark statewide effort to eliminate traffic fatalities and serious injuries with a focus on protecting vulnerable road users.
- Launched the **North Jersey Trail Network Initiative**, a regional effort to build a cohesive system of shared-use paths across six counties and major urban centers, and continue to support the historic Essex–Hudson Greenway, New Jersey's next State Park, including active participation in the Newark groundbreaking.
- Supported statewide implementation of the **Safe Passing Law** by guiding 4-foot passing sign installation and expanding the public awareness campaign with new resources, trainings, and outreach.
- Launched and expanded the **Streets Are For Everyone (SAFE) Network**, including multiple statewide webinars on topics such as e-mobility, complete and green streets, and Vision Zero. Developed the **SAFE Network Resource Center** and continue to support local advocates advancing safer, greener, people-first streets in their communities.
- Received a highly competitive **AARP Community Challenge grant**, one of only 383 awarded nationwide, to engage Newark's 50+ residents through storytelling, elevating older adults' mobility experiences and guiding equitable active transportation planning.
- Opened the **Summit Bike Depot** at the Summit NJ TRANSIT station adding secure, weather-protected storage for 32 bicycles, e-bike charging, and 24/7 surveillance expanding NJBWC's Bike Depot program which now serves riders in Montclair, Bloomfield, Elizabeth and Summit.

NJBWC Sponsorship Benefits

Sponsors will gain premier exposure to industry leaders through in-person and digital branding placements. Our annual Summit provides valuable networking opportunities, including face-to-face connections with elected officials, state, county and municipal leaders, transportation and urban planners, businesses, and community members and organizations who are passionate about advocacy for those walking and cycling.

Sponsorship aligns your brand values and goals as a key partner with NJBWC in collective action and advocacy towards safe, accessible and equitable travel for all New Jersey residents. Enhanced brand visibility will continue throughout the event and throughout the year in our digital communications, maximizing exposure to both in-person and online audiences.

Annual Bike & Walk Summit Overview

Entering its 15th year, the New Jersey Bike & Walk Summit reflects how our movement has grown across the state. From supporting key legislation to developing resources, advancing trail and street safety, and partnering with municipalities and state agencies, the Summit brings these efforts together each year.

Participants hear from leading voices, engage in hands-on discussions, and collaborate on the future of walking, biking, rolling, and trail development in New Jersey.

Typical participation: 200+ people per year. Last year we welcomed nearly 300 attendees, our highest turnout yet.

About the 2026 Summit

Purpose

The purpose of the Summit is to provide an annual opportunity for people to come together and discuss important issues affecting those walking and cycling. The Summit aims to:

- **PROMOTE** awareness
- **SHARE** knowledge
- **FOSTER** collaboration
- **ADVOCATE** for change
- **INSPIRE** action!

Time & Location

Additional Sponsorship Opportunities

These options can be selected on their own or added to any primary sponsorship level. Standalone selections include only the benefits listed for that opportunity and do not include tier-level benefits such as tickets, exhibit tables, or broader event recognition.

Primary sponsorship tiers come with wider visibility and meaningful benefits during the Summit and in the communications that follow.

If you're interested in discussing any of these options, please reach out to Debra Kagan at kagan@njbwc.org.

Summit Food & Refreshments Sponsor

\$8,500

*Available as an
add-on to any
sponsorship level or
as a stand-alone
opportunity.*

This additional sponsorship opportunity includes:

- Premier branding across all Summit meals and refreshments (breakfast, lunch, and snacks)
- Prominent signage recognizing the organization during each meal period
- Logo on the event program and Summit website
- Recognition in the post-Summit recap email

Bike Room Sponsor

\$3,000

Available as an add-on to any sponsorship level or as a stand-alone opportunity.

This additional sponsorship opportunity includes:

- Support secure indoor bike parking for attendees arriving by bike
- Logo on Bike Room signage and acknowledgment in event materials
- Option to provide bike-friendly perks or materials in Summit attendee's swag bags
- Opportunity to showcase the sponsor's own bike-related products

Post-Summit Networking Reception Sponsor

\$6,500

*Available as an
add-on to any
sponsorship level or
as a stand-alone
opportunity.*

This additional sponsorship opportunity includes:

- Sponsorship of the closing networking reception
- Prominent signage at the reception and verbal recognition
- Logo on Summit website, program, and reception materials
- Opportunity for a brief welcome or toast during the reception

*With your help we can improve
our quality of life here in the
Garden State!*

Thank You

We deeply appreciate your consideration of sponsorship. Your support enables us to continue our mission of promoting safe, equitable, accessible, and sustainable transportation options for all New Jersey residents.

By partnering with us, you are investing in a future where walking, cycling, and rolling are safe, viable, and enjoyable modes of travel. Together, we can create a better, more connected community.

Thank you for your commitment to making a difference. We look forward to the possibility of working together to achieve our shared goals.
